VOICES of VALOR

Professional Performances For Hope And Healing

December 20, 2025

FOR IMMEDIATE RELEASE

Voices of Valor Releases “Can’t Tame the Herd” by Unheard Herd

Original song created by Veterans through Music For All Seasons reflects courage, resilience, and the power of self-expression through music.

Music For All Seasons proudly congratulates the Veterans of Unheard Herd on the release of their original song, “Can’t Tame the Herd,” officially released on December 19, 2025 through the organization’s signature Voices of Valor initiative.

Created through collaborative songwriting and recording sessions, “Can’t Tame the Herd” reflects the courage, resilience, and emotional honesty of the participating Veterans. Through music, the group transformed lived experiences into a bold and authentic original song centered around strength, identity, and personal expression.

The project was facilitated by Grammy-nominated musicians Julio Fernandez and Kirsten Thien and recorded at Shelter Island Sound in New York City.

Voices of Valor uses songwriting and music collaboration as tools for healing, connection, and emotional expression. Through guided creative experiences, Veterans are provided opportunities to build confidence, community, and meaningful artistic expression while sharing their voices through original music.

Music For All Seasons extends heartfelt gratitude to Samaritan Daytop Village for its partnership and for helping connect the organization with the Veterans who participated in this project.

This Voices of Valor program was made possible through the generous support of TD Charitable Foundation.
