Professional Performances For Hope And Healing

April 7, 2026

FOR IMMEDIATE RELEASE

Music For All Seasons Continues Partnership with Cali Collective

Live performances at Josephine's Place bring connection, artistry, and meaningful musical experiences to the community.

Music For All Seasons proudly continues its partnership with the Cali Collective, bringing thoughtful and engaging live musical performances to the communities it serves.

In March 2026, the Various Four Group performed at Josephine's Place, sharing an afternoon of beautiful music, connection, and artistic collaboration. Building on the success of that performance, Music For All Seasons welcomed the Arachne String Quartet in April for another special live performance experience at the organization's SAGE Eldercare program site.

The ongoing partnership reflects Music For All Seasons' commitment to creating meaningful community connections through professional live music while also supporting emerging musicians through mentorship and performance opportunities.

The Cali Collective partnership, developed in collaboration with Montclair State University, allows graduate-level musicians to engage directly with community-centered musical outreach programs while bringing high-quality live performances to audiences who may have limited access to the arts.

Throughout these performances, participants experienced moments of joy, reflection, creativity, and shared connection through music — reinforcing Music For All Seasons' mission of nurturing human connection through healing musical experiences and inspiring collaborations with professional musicians.

Music For All Seasons extends gratitude to the musicians of the Cali Collective, Josephine's Place, SAGE Eldercare, community partners, and supporters who continue helping make these meaningful experiences possible.
